INTENT LANGUAGE FOR H.B. 235

H.B. 235, CONSUMER CREDIT CODE AMENDMENTS, does not deal with bad checks or dishonored instruments. This bill deals with credit card issuers which employ either directly or indirectly 7,000 people in this state. It is not the intent of the Utah based credit card issuers to raise the late penalty fee to \$35.00. Currently, the market rate \$25.00. The only purpose of this legislation is to allow these companies to remain competitive and to respond to market conditions.

Twenty-two states have no limitation or cap. These are the states we are competing against. The \$35.00 limitation was put in the bill at the request of the bill sponsor and was pegged at this level in order that these companies would not have to come back to us every time that there is a change in market conditions.
